

ENVIRONMENTAL POLICY

Our Vision is to transform tomorrow.

To achieve this we are committed to:

- Consulting with clients and stakeholders to fully understand their requirements and to meet or exceed their expectations;
- Ensuring BGC Contracting meets ISO 14001:2004 requirements and that they are integrated into all business activities;
- Complying with all relevant legislation and other obligations;
- Raising awareness of, and providing information on issues affecting the environment;
- Working with partners to promote the sustainable development agenda;
- Preventing, controlling and reducing the release of pollutants to the environment;
- Encouraging personal accountability and emphasising compliance and conformity with our standards and best practices during employee training and in performance reviews;
- Establish and achieve measurable environmental objectives and targets to reduce our impact on the environment;
- Actively seeking feedback from clients and stakeholders and addressing opportunities or areas for improvement and levels of satisfaction; and
- Reviewing and revising our Environmental Policy periodically to maintain relevance, effectiveness and appropriateness to our business.
